

Group Life

Scout Group Advertising and Sponsorship Opportunities

Last year we launched an opportunity for local businesses to buy advertising space in our monthly newsletter (see page 3), this included being recognized on our Website as a sponsor, and being thanked for their sponsorship 4 times per year on our Group Facebook Page.

Any family who sells an advertising space in our Group Life newsletter will receive a \$50.00 credit towards their semester fees. Please email contact@mtcotton.scoutsqld.com.au if you have a business that is interested.

Advertising is limited to 12 spaces and advertisers need to be compatible with supporting a youth organisation.

An advertising space is only \$250.00 per year plus GST, so a very cheap form of monthly advertising plus a great way for any business to demonstrate their support for a very popular local community group.

Position Vacant

We are now on the hunt for our 2021 **Fundraising Manager**.

The role description is to form a small team to create fundraising opportunities for our Scout Group, to manage parent volunteers for each event, including coordinating the bump in and bump out of each event, via a volunteer roster system.

The commitment is for 12 months only, with the option to extend by mutual agreement.

Group Quartermaster

I am excited to announce the appointment Cameron Phillips to the role of Group Quartermaster. Cameron will be looking after our Group equipment and helping out with minor repairs around our facilities. Thank you Cameron.

5 Year Service Award

Congratulations and BRAVO to Kylie "Bandicoot" Shirvington for earning her 5 year service award.

Annual Reports Presentation Night

At 6.30pm on Tuesday 25 May our Group will come together to hold its Annual Reports Presentation Night.

This is a great opportunity to reflect on the past scouting year, hearing from our Youth Members, Group Leader, Executive Chairperson and VIP Guests.

We will start the evening with a sausage sizzle and are looking for 3 parents who can arrive at 6pm to help our Group Executive Chairperson cook and serve our snags. Please email gl@mtcotton.scoutsqld.com.au if you are happy to help.

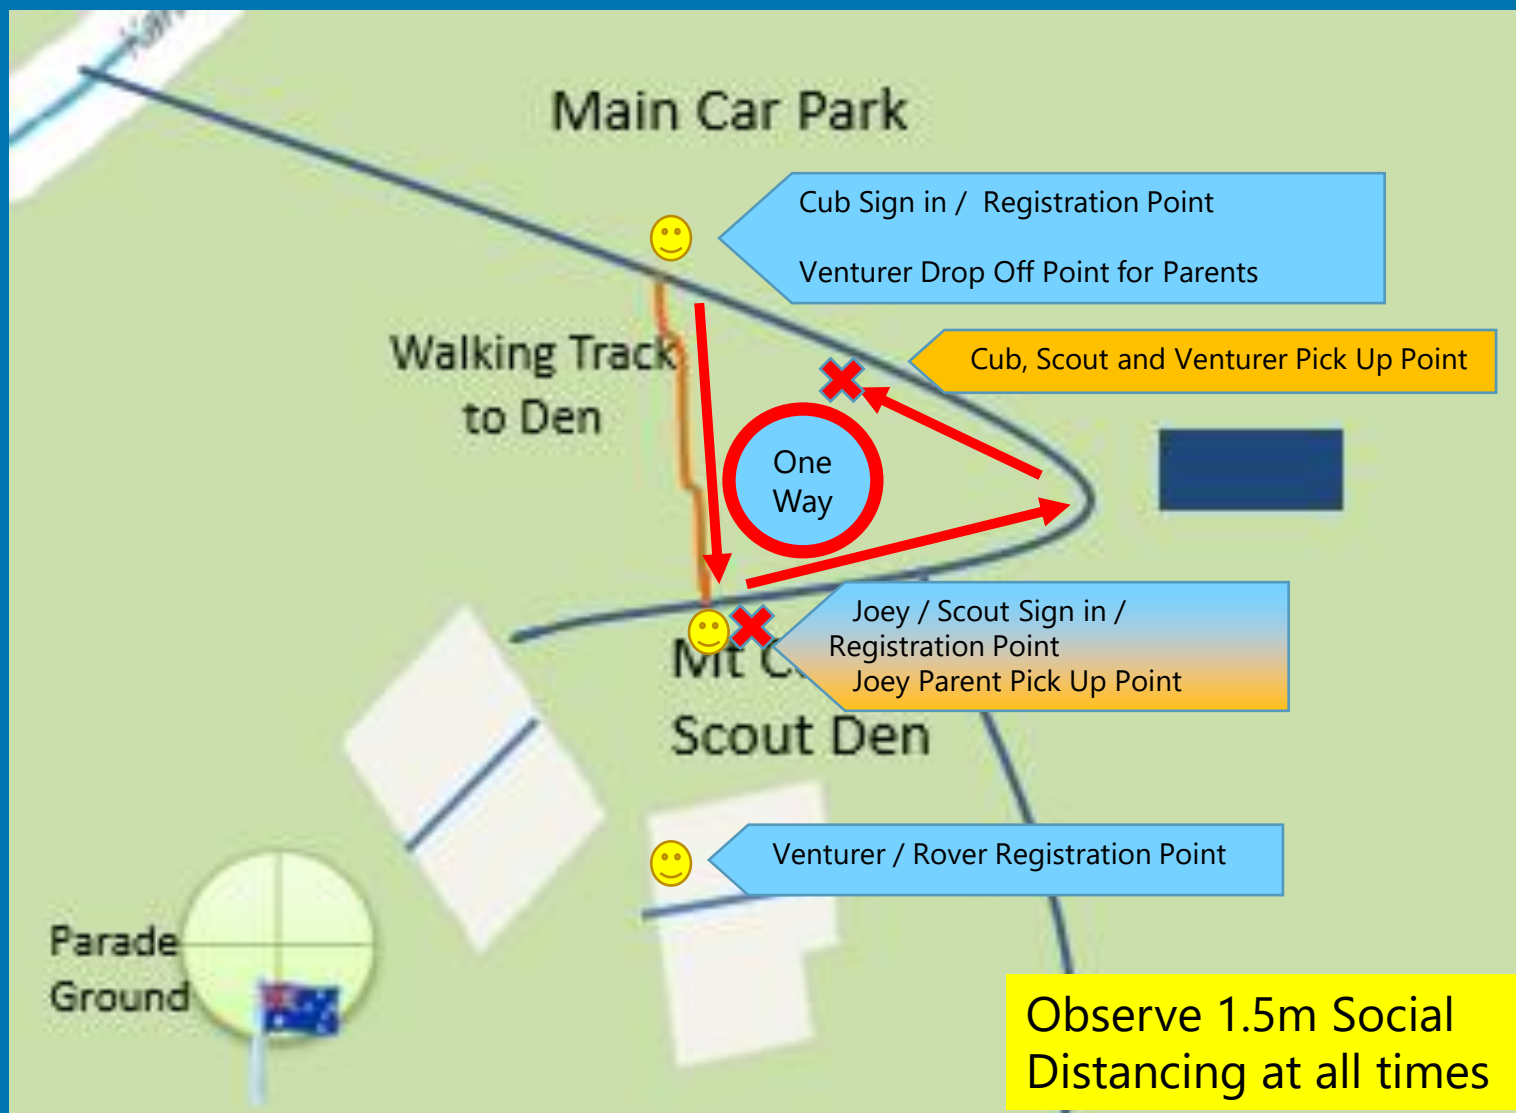

RSVPs and pre-reads will be coming out in the next 2 weeks.

Drop Off / Pick Up Process

Face to Face Scouting at the Den

- **No one who is unwell or has flu like symptoms can enter the Mount Cotton Scout Group site.**
- Parents are not permitted to enter the buildings or under-covered area.
- Each section will have a designated registration (drop off) and pick up procedure.
- All members onsite will apply hand sanitiser before entering the buildings / under-covered area.
- Pre, During & Post Cleaning will be carried out each night.
- The kitchens remain closed.
- Youth members need to bring their own filled water bottle, and for Scouts and older, their own pen.
- The walking track from the top car park will be for down hill traffic only.
- Up hill traffic will walk up the driveway.
- Note: there are separate requirements for outdoor only scouting activities.
